

RESTART Your Engine!

Have you ever thought about your life as if it were a car race? You've been driving in circles for a while, getting nowhere. Maybe you've had a failure recently and you feel so far behind in the race that you decide, "What's the point in trying anyway?" One awesome thing about God is that no matter how many times we fail, He's willing to give us a brand-new start if we ask Him to.

So don't despair! God's waving the green flag! You get a brand-new start! Restart your engine and get back in the race!

Name an area of your life where you've failed recently:

Now seek God's forgiveness, and ask for a fresh start. Then thank Him for giving you a new chance. Write your prayer here:

List some things you plan to do now that you've gotten a fresh start from God:
